

# GYM SCHEDULE

The gym schedule for the month of March is posted on our website and within the Monon Community Center (MCC). The gym is block scheduled in order to accommodate guests, programming and rentals. Only one user group will have access to the Gymnasium at a time.

Example: If the schedule indicates that the Gymnasium is designated for Youth & Family Gym (Age 15 and under and parents with children under 15), no adults will be allowed in the Gymnasium without their children until Adult Open Gym (16+). During Adult Open Gym (16+) no youth under the age of 16 will be permitted to use the Gymnasium.

At the end of your usage time, please clear the Gymnasium promptly so that the next user group may use the space.

If there is an open space and no program or rental is being conducted then that court becomes usable to whichever group has priority at the time. Example: If Gym C is open at 12:00pm on a weekday then it becomes Adult Open Gym. Each month there may be exceptions to the schedule based on programming and special event needs. Please also note that a gym is considered open gym when nothing is scheduled during a specific time.
