

Mohawk Trails

Thursday Clubs

AM Clubs (7:30-8:00)

Brain Teasers: Test your knowledge and ability to solve problems and answer trivia.

Overall Goal of Club: Students will be challenged to solve various puzzles.

State Academic Standard Incorporated: Mathematics (Problem Solving)

PM Clubs (4:30-5:30)

Ew, What's That?: If you like the feel of ooey gooey things, come make different slime, flubber, and floam creations.

Overall Goal of Club: Students will discover how to make substances and use their senses to experiment.

State Academic Standard Incorporated: Science (Constancy and Change)

Kid Council: Calling all kids who would like to help with site plans and community service projects!

Overall Goal of Club: Students will take a leadership role and have more input in what they want from ESE!

State Academic Standard Incorporated: English/Language Arts (Writing)

Wacky Relays: How fast are you? Can you race under pressure? Test your skills and work as quick as possible with your teammates. Ready, set, go!

Overall Goal of Club: The students will use teamwork and cooperation to be the quickest to the finish line in these wacky races.

State Academic Standard Incorporated: Physical Education (Physical Activity)
