Every fall, ESE celebrates Lights On Afterschool, a nationwide event that promote afterschool programs in their respective town and raises awareness. This year, College Wood is celebration afterschool with a Talent Show on Thursday, October 26th. Students will have 2 weeks to practice and prepare their talent. However, students have already showcased their talent with a Light Bulb decorating contest. Students submitting decorated lightbulbs in hopes of theirs being picked to go on our event flyer. The winner of the lightbulb contest are actually two students who worked together, Brennan Kaufmann & Joaquin Queijo.

During CW ESE's October Site Celebration, there will be an opportunity for CW ESE students to get creative for a good cause! Cards for Hospitalized Kids is an organization that sends cards to Children's Hospitals in all 50 states, in addition to Ronald McDonald Houses nationwide. Hospitalized kids often feel lonely and isolated and also miss out on childhood experiences such as attending school regularly. Students attending the October Site Celebration will be able to make a handmade cards that truly helps with these challenges by brightening the child's day, making them feel special, and reminding them they are not forgotten.
