

### Kids Choice—Site Plan #2

*Jennifer Gray, Site Supervisor*

In September, ESE students at OPE voted on their favorite club options for Site Plan #2 which will be starting on Tuesday October 17 and continue through December 22. Getting input from the students in the program on club options is a great way to let them use their voice and is one of our favorite things to do! This round staff decided to write the names of some potential club ideas on cups and hand out 4 tickets to each student in the program. Students got to drop their tickets into the four cups with club options they liked the most! We are very excited to be offering most of the favorites for the second 10-weeks of ESE! Some of the favorites that will be offered are Science Club, Just Dance, Dodgeball and Gaga Ball just to name a few! We hope everyone enjoys this new round of clubs!
