### **Lights On Afterschool: ESE Tailgate**

*By: Amy Baldauf, SRE Site Supervisor*

Every fall, ESE celebrates Lights On Afterschool, a nationwide event that promote afterschool programs in their respective town and raises awareness. This year, Smoky Row is celebrating afterschool with a Tailgate on Thursday, October 26th, to emphasize the importance of community. We will offer traditional outdoor games like corn hole, relay races, and also fall crafts, starting at 4:30. Students will be able to decorate lightbulbs to hang around the school. We will have tailgate snacks for students and families, too. We invite all families to participate in our activities as you arrive on site. We hope you will be able to join us for this opportunity to be a part of our ESE community and enjoy in some fun fall activities with your kids!

### **September Super Stars!**

*By: Amy Baldauf, SRE Site Supervisor*

Our ESE program is all about our students, and what better way to show that than by getting to know each and every one of our unique kids better?! When it is your child's turn, they'll take home an "About Me" Poster to complete and return to be displayed on our wall of "Super Stars." Our program is structured upon the R.I.C.H.E.R. Principles, which stands for Respect, Integrity, Harmony, Excellence, and Responsibility. These kids have done an excellent job of exemplifying these principles this month. Pictured are a few of our September "Super Stars." All of our September "Super Stars" were: Brody B., Jackson C., Sienna C., Vincent C., Max F., Allison H., Bethanie K., Calvin K., Isla M., Tyce P., Yoofi Q., Abby S., Jelani S., & Lilly W.
