Tuesday Clubs

AM Clubs (7:15-7:45)

Going Up: Make paper airplanes in this exciting club!

Overall Goal of Club: Teach the kids different methods of making paper airplanes.

State Academic Standard Incorporated: Fine Art (Creating Art)

State Academic Standard Incorporated: Physical Education (Motor Skills and Movement Patterns)

Bingo!: Whether it's in a line or diagonal, find a Bingo any way you can and pick from the prize box!

Overall Goal of Club: For children to have fun playing many different styles of Bingo.

State Academic Standard Incorporated: Mathematics (Algebra and Functions)

PM Clubs (4:30-5:30)

DIY: Do you ever want to create your own toy? Want something different than they have in the toy aisle? Look no longer! At DIY club, we will Do It Yourself and make some really cool stuff where YOU are in charge of the design!

Overall Goal of Club: Students will create their own design on a different project each week, making it one of a kind. They will learn what DIY means and see how creative they can be making each project their own!

State Academic Standard Incorporated: Fine Arts (Design)

Use Your Brain Games: Come on down to the game club of trivia, beating the clock, and guessing! We will be exploring some games, puzzles, and brain teasers, new and old!

Overall Goal of Club: Students will learn new investigative skills, interesting things with trivia, and solving problems. They will also work on their skills at being quick and certain!

State Academic Standard Incorporated: Mathematics (Problem Solving)

You're It: Run, run, as fast as you can! Play a variety of tag games to get your heart racing!

Overall Goal of Club: For children to participate in physical activities requiring teamwork and coordination.
