

Wednesday Clubs

AM Clubs (7:30-8:00)

Structures: Can you stack it? Can you build it? We'll spend the next ten weeks testing our construction skills with various challenges.

Overall Goal of Club: Students will learn, develop and share ideas with others by working in teams to construct different projects.

State Academic Standard Incorporated: Science (Technology and Science)

Bowling 101: Everyone loves to go bowling and here you can learn some variations on the traditional game.

Overall Goal of Club: Students can learn different versions of bowling.

State Academic Standard Incorporated: Physical Education (Physical Activity)

PM Clubs (4:30-5:30)

Oodles of Noodles: Pasta is fun to play with and in the club you can make all kinds of crafts with them.

Overall Goal of Club: Students will make crafts with all types of noodles.

State Academic Standard Incorporated: Visual Arts: Fine Arts (Creating Art: Studio Production)

Not so Board!: Do you love board games? Well come to this club and see all the new ones CW ESE just got!

Overall Goal of Club: Students will learn a new board game each week.

State Academic Standard Incorporated: English/Language Arts: Reading (Word Recognition, Fluency)

K-2 Relays: First, you race to the cone, hula hoop 5 times, and many more tasks until you race back. Sounds like fun? Every week is different, too!

Overall Goal of Club: Students will be able to improve their motor skills while racing their friends.

State Academic Standard Incorporated: Physical Education (Motor Skills and Movement Patterns)

3-5 Capture the Flag: It's fun, it's fast paced, it's Capture the Flag! Get theirs before they get yours!

Overall Goal of Club: Children will learn a variety of ways to play Capture the Flag.

State Academic Standard Incorporated: Physical Education (Physical Activity)
