Karate

We have enlisted the help of the best that Indiana has to offer for our martial arts course. John Adamson is a 7-time USA karate team member who has studied and competed all over the world. For 31 years, his family has taught martial arts right here in Carmel focusing on personal development, respect, and an "I can do anything" attitude. Some former participants of this enrichment course have gone on to become black belts and even national karate champions. Your child will feel 10 feet tall after they experience this fun filled confidence building course.

Watch Me Sculpt (WMS) provides an entertaining and educational experience for elementary age children using the art of sculpting in an after school setting. WMS develops self-confidence by providing students with an engaging activity that also teaches a useful skill while increasing fine-motor coordination. While enjoying the art of sculpting, instructors also introduce concepts covering a wide range of educational fields such as science, history, math, technology, geography, and engineering.

Wednesday

Broadway Kidz

Class meets for one hour weekly and is conducted by professional teaching artists. Live music accompanies instruction in vocal music, dance, and basic music theory, which leads to the mastery of a song and dance from the Broadway repertoire. The grand finale is an end-of-session performance by students of a song and dance from the Broadway repertoire, attended by peers and parents. Memorizing and comprehending the lyrics to a Broadway show tune and performing the song on stage is a formidable accomplishment for a young person.
