## Tuesday Clubs

### **AM Clubs (7:30-8:00)**

**Parachute Play!:** Everyone loves the parachute, so grab your friends and learn some fun new games!

**Overall Goal of Club:** Promote physical activity in fun non-competitive setting.

**State Academic Standard Incorporated:** Physical Education (Physical Activity)

**Extreme Dot-To-Dot:** These dot-to-dots take making pictures to the extreme!

**Overall Goal of Club:** Students will create pictures by connecting dots in number order.

**State Academic Standard Incorporated:** Mathematics (Numbers and Counting)

### **PM Clubs (4:30-5:30)**

**UnBOWLievable (K-2):** Bowling is a fun sport that can be played with just a few kids on many; let's see how many kids will get a strike!

**Overall Goal of Club:** Students will be able to work on their bowling technique.

**State Academic Standard Incorporated:** Physical Education (Physical Activity)

**Scooter Games (3-5):** Scooters are a great form of exercise and we are going to use them with all kinds of different sports.

**Overall Goal of Club:** Students will be able to use a scooter at the same time as kicking a ball.

**State Academic Standard Incorporated:** Physical Education (Physical Activity)

**It's the Drawing Life:** Sometimes we all need a little help to be our artistic selves. This club will get your creative juices going.

**Overall Goal of Club:** Students will be able to work on their drawing ability.

**State Academic Standard Incorporated:** Fine Arts: Visual Art (Creating Art: Studio Production)

**BINGO was its Nameo:** Whether it's in a line or diagonal, find a Bingo any way you can and pick from the prize box!

**Overall Goal of Club:** Students will be able to have fun playing many different styles of Bingo.

**State Academic Standard Incorporated:** Mathematics (Algebra and Functions)
