

Smoky Row Elementary

Monday Clubs

AM Club (7:15-7:45 a.m.)

Popsicle Stick Engineering (K-5): Do you love building things? Then this club is for you! We will be doing simple engineering activities that you can easily repeat at home to show your family!

Overall Goal of Club: Students will be able to do a variety of different science activities and learn about different science terms and phrases.

State Academic Standard Incorporated: Science (Physical Science)

PM Clubs (4:30-5:30 p.m.)

The Great Outdoors Inside (K-2): Do you love the games of the summer and get the winter blues? If so, you're going to love what we have planned for this club! We are bringing some of your summer backyard favorites inside where it's warm for the winter like bocce ball, bowling, and ping pong!

Overall Goal of Club: Students will be able to play a variety semi physical games and develop hand/eye coordination.

State Academic Standard Incorporated: Physical Education (Motor Skills and Movement Patterns)

Paper Crafts (K-2): Paper crafts club is where you will create exciting and fun crafts all made out of paper. If you are looking for a challenge and some fun, this club will be perfect for you!

Overall Goal of Club: Students will use their fine motor skills and artistic skills to complete crafts made out of paper. There will be conversation about the specific craft of the day and lots of opportunities to make the craft their own.

State Academic Standard Incorporated: Fine Arts (Creating Art: Studio Production)

Tag Games (3-5): Do you want to learn new ways to play tag at recess? Well now is your chance to show your friends what you've learned!

Overall Goal of Club: Students will be able learn how to play tag and use good sportsmanship.

State Academic Standard Incorporated: Physical Education (Motor Skills and Movement Patterns)

Winter Crafts (3-5): All aboard craft lovers! This club is fun for all ages! We will start from the basics and learn more and more techniques as we go along. Students create their own winter crafts that they can take home for all to enjoy before/ during the holidays! The great thing about this club is that we will work with multiple mediums so each craft is a different technique!

Overall Goal of Club: Students will be able to learn different crafting techniques

State Academic Standard Incorporated: Fine Arts (Creating Art: Studio Production)
