

Star Students of the Week

By: Tiffany Buckingham, ESE Site Supervisor

Every week the ESE counselors choose a star student of the week who they feel has demonstrated exemplary behaviors and a great attitude throughout the week. Every Friday we announce the students who were chosen and they get to have their picture taken with the counselor who chose them as well as win a book mark. They then fill out an all about me page that gets displayed at our bulletin board by the parent table for all to see. We love that we get to recognize these students each week with something special because they deserve it!

Star students of the week for the month of April are Hrishabh Bhowmik, Emma Chevalier, Grant Henson, Henry Williams, Sadie Snead, Vanessa Ridel & Lidia Lima.

End of the School Year Happenings

By: Tiffany Buckingham, ESE Site Supervisor

The end of this school year is fast approaching and we are going to have a variety of special activities to celebrate the finish of another great year.

We will be hosting a 5th grade party, a Jr. Counselor party, a talent show and a last day of school site celebration. The last couple days of school we usually offer an "ESE favorites" activities for the day. The students will have a chance to vote on what clubs were the favorite from the year and those will be the offerings for the last few days. The E-Market will be open to do some end of year shopping as well.

Check you email and the parent table soon for more specific information regarding all of our upcoming events!
