Another Year Gone!

By: Valeska J. Simmonds Site Supervisor

How quickly time flies when we are having fun! This year has truly gone by so quickly and we have made some special memories with our children. Laughter has been the key to this year's success, smiles the key to our happiness in working with your children and tears in watching some of them leave us for new challenges and adventures.

As we look back at our 5th graders many of whom were kindergartners when they started with us we cannot help but be amazed at these incredible young people.

They are leaving us to begin their middle school careers and we wish them all the best. It will not be easy but these kids are ready to begin a new chapter in their lives. Thank you to our parents who have trusted us with your children. We always have and always will put their needs first. Have a great summer and we will see you in the Fall!

They are all stars in our book!

By: Valeska J. Simmonds FDE Site Supervisor

This month we are celebrating all of our stars! Every child in this program is a star to us. They work hard, play hard, try to follow the R.I.C.H.E.R. principles and most importantly they do care about each other and our staff.

I have had the pleasure of watching them encourage each other, comfort each other and help each other. A Supervisor can ask no more than that from the children attending their program. So this month every child is our Student Star of the month!

We will honor our stars on the last day of school with an Ice Cream Sundae Bar and a heartfelt thank you to them for making this an awesome year in the ESE program! Please take the time to congratulate your stars for being so incredibly awesome!
