

Positive Reinforcement

Jennifer Gray, Site Supervisor

At ESE our daily behavior expectations are focused around the R.I.C.H.E.R. Principles. (Respect, Integrity, Caring, Harmony, Excellence, Responsibility). We do our best to discuss these principles with students daily and acknowledge those who are displaying them. When a student is caught displaying a R.I.C.H.E.R. Principle they are often written a R.I.C.H.E.R. "Right"-Up which is posted at the Parent Pick-Up Table. On Friday's, students are involved in a R.I.C.H.E.R. ceremony where students receiving "Right"-Up's for the week are recognized and have an opportunity to earn a prize. Throughout the year there will also be rewards given to the students who have accumulated the highest number of "Right"-Up to date. If your student brings home a R.I.C.H.E.R. "Right"-Up please discuss it with them and know that they are contributing to making our program a great place to learn!
