West Clay Elementary

New Staff at West Clay ESE

Jess Ballinger, ESE Assistant Site Supervisor

Every new school year brings a host of new things. This year at West Clay ESE that new beginning including two new staff. Please help me welcome our new Head Counselor– Billy Schwab and our new kid counselor-Kamau States.

We are very exciting to add them to our team. Mr. States is an inspiring music producer and hopes to move California in the future. Mr. Schwab just moved to Indiana from Michigan. He enjoys hiking, mountain biking, and reading. He hopes to some day to be a full time teacher.

Kindergarten Fun at ESE

Jess Ballinger, ESE Assistant Site Supervisor

Here at ESE we have the privilege and working with kiddos in Kindergarten through sixth grade. Every new school year brings in a new young group of Kindergarteners for us to mold and shape.

This year like other years in the past our group of kindergartens are very fun and spirited. They get to try things for the first time which is very exciting to watch. Some of their new favorite things at ESE are; eating snack, playing in the gym and getting to go to all of the clubs.

I can't wait to see what this group of kiddos will accomplish.
