

### Welcome Back to ESE!

*By: Valeska J. Simmonds FDE Site Supervisor*

I would like to take this opportunity to welcome all of our children and parents back to another exciting year with the ESE program! We have a lot of great activities planned as well as some fun events.

Our first site celebration of the season will take place on Friday, September 8th, 2017 from 4:00 to 6:00 p.m. We will be hosting a Tailgate Party in honor of the upcoming NFL season! Our main event will be 4th grade vs. 5th grade in a game of flag football. Parents you are invited to join us and cheer on our athletes.

We will also be providing some awesome food for this party so come hungry and bring the rest of the family to join in! We would like to remind you to please turn in your info forms and homework agreements if you have not already done so! It is so good to be back in school, we can't wait to get things started!

### August Stars Eclipse the Sun!

*By: Valeska Simmonds Site Supervisor*

Once again we are proud to continue our student stars of the week! During our first week of school the children pictured to your right exemplified what it means to be a star student by showing a positive attitude, helping others as well as demonstrating respect to their peers and counselors alike. We are very proud of them!

Pictured are Elsa Munkvold, Carter Martin, Will Casterline, Joel Lloyd and Abigail Buls. Not pictured but still every bit a star is Leah Inendino! We enjoy spotlighting our stars and truly believe that they do indeed eclipse the sun!
