Smoky Row Elementary

Books & Beyond

By: Leslie Wimberly, SRE Asst. Site Supervisor

Smoky Row ESE is very excited to be working with the Carmel Clay Parks Library on Wheels this semester. On Tuesday, September 26, the ccpl2go Truck will be parked in the front of Smoky Row Elementary from 4:00pm-6:00pm. We encourage students and parents to walk through the truck and check out books if they have a Carmel Public Library Card.

We will also be having a book drive! Families can collect books from their friends, neighbors, and community to donate. We will have a collection bin at the parent table, where families can drop off their books. So make sure that you add Tuesday, September 26th to your calendars!

August Super Stars!

By: Amy Baldauf, SRE Site Supervisor

Our ESE program is all about our students, and what better way to show that than by getting to know each and every one of our unique kids better?! When it is your child's turn, they'll take home an "About Me" Poster to complete and return to be displayed on our wall of "Super Stars." Our program is structured upon the R.I.C.H.E.R. Principles, which stands for Respect, Integrity, Harmony, Excellence, and Responsibility. These kids have done an excellent job of exemplifying these principles this month. Pictured are a few of our August "Super Stars." All of our August "Super Stars" were: Annie J., Lilly W., Ben I., Nicholas V., Ellie B., Jackson C., Sienna C., Owen S., Srineeth P., James D., Ariana W., Jackson P., Kendall P., & Abby S.
