# ESE Star

Towne Meadow Elementary  
Extended School Enrichment

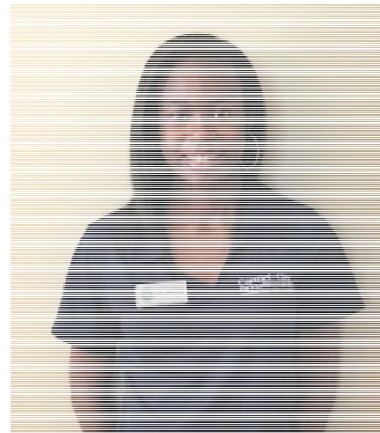

September 2017

## Welcome Back to TM ESE!

Towne Meadow Extended School Enrichment would like to welcome Rebecca Lamson as our new Assistant Site Supervisor. Rebecca was a Head Counselor at College Wood Elementary last school year and Where It's At during the summer. She graduated from Indiana University in December of 2016. She is excited for this upcoming year!

We also have a new Head Counselor this year. KaTiana Breland started working for Carmel Clay Parks & Recreation in 2014 making this her 4th school year working ESE. She started as a kid counselor at Smoky Row Elementary for 2 years and College Wood Elementary for 1 year. She is currently a freshman at IUPUI. KaTiana loves working with children of all ages!

## Fall Enrichment Specials

Every year Towne Meadow offers Enrichment Specials that all Towne Meadow students can sign up for, regardless if they are in our ESE program or not. These fun and educational programs run for one hour afterschool. This semester we will have Karate on Monday's and Watch Me Sculpt on Wednesday's. These classes run from September 6th to November 21st. There is a maximum number of students permitted per class, so please sign up early!
