

Lights On Afterschool Costume Party!

By: Alyssa Holsten, CE Site Supervisor

Our annual Lights On Afterschool party was on October 26, 2017. This year, Carmel Elementary had a costume party! The children loved being about to wear their Halloween costumes at ESE. We saw many wonderful costumes; Wonder Woman, Harley Quinn, Jojo Siwa, Tinkerbell, Garth & Wayne, and Cat Woman!

Aside from their costumes, the children were able to enjoy some pizza and drinks before going into some fun, spooky Halloween crafts. We also played many games like Ghost in the Graveyard! To follow all this, the children were able to join together and watch Frankenweenie in the music room!

Jumbo Games

By: Alyssa Holsten, CE Site Supervisor

Our children here at ESE get to vote on clubs they would like to participate in. For this 9 weeks, the children did ballot voting where they would place their ideas in our ballot superhero box!

The children are really excited for all the Jumbo Games we are offering! We have many jumbo board games: jumbo checkers, jumbo Yahtzee, and jumbo mancala!

Others voted on doing football, rainbow looms, Legos, and fuse beads which we are all very excited for!

ESE really enjoys getting input from all the children each time we set new clubs! After all it's their program too!
