

CW ESE Celebrates Lights On Afterschool

Audrey Cooper, Site Supervisor

College Wood ESE celebrated our afterschool program on October 26th by showcasing our talent! These students stepped up, performed bravely and expressed themselves. 41 students participated in the talent show by singing, dancing, telling jokes, being an Emcee and much more. Great job to all performers for the hard work they put in! Thank you to all the parents who came to support their children and other students performing. I think College Wood might have found a new fall tradition with a talent show. This year's Light On Afterschool was a huge success. I can't wait to see what next year will look like!

Cards for Hospitalized Kids

Kathryn Bradberry, Assistant Site Supervisor

I want to give a BIG shout-out to all the students who participated in making cards for hospitalized kids during October's Site celebration. These cards will go to kids who have to stay at the hospital long term due to illness or injury. When I asked the students about their favorite part of making the cards, they said what they enjoyed most is knowing that their work was going to make people happy. Eloise Lorch, a Kindergarten here at College Wood, stated that, "My favorite part about making the cards was making the pictures and making people feel better!" The students agreed that they feel the cards are so important because it will show these kids someone cares and is thinking of them. College Wood knows how have fun and help people while doing it!
