

### ***Helpful Kid Counselors***

*By: Valeska Simmonds FDE Site Supervisor*

One thing you can count on is that our kid counselors love to help our kids. One area that we really concentrate on is homework. Many times during homework a child will need a little extra help with a math problem or maybe with some spelling words.

Our kid counselors will sit down with them and help them work through it. In the picture to your left kid counselor, Grant Fellabaum is working with one fourth grader and one fifth grader on their computer research. The lap tops they are using help them get a jump start on any project that is needed for their class.

Our kid counselors work hard to be positive role models and mentors to every child in our program. It is a privilege to work with your children and we enjoy every minute of it!

### ***It's The Witching Hour at our LOAS party!***

*By: Valeska Simmonds FDE Site Supervisor*

It was indeed the witching hour at the FDE Lights on After School Party on October 26th! It was by far one of the best costume parties we have ever had. A big thank you to Stacie Rogers for helping us decide the costume contest. We had so many great costumes to choose from, it was difficult to pick the winners!

One of our contestants pictured to the right were Abbie Buls and her mom dressed as a witch and her pet kitty. Mrs. Buls went all out and captured the perfect image of the Wicked Witch of the East! What an awesome costume! During the afternoon we saw giant hamsters, astronauts, aliens, pirates and Davey Jones himself graced with his prescience! What a great day and what a great party! Thank you to everyone who joined us to make this day very special for all of our children! Happy Halloween!
