

### Just Dance!

*Jennifer Gray, Site Supervisor*

Just Dance is one of our NEW enrichment clubs being offered at OPE ESE for Site Plan #2 (October 23—December 22). So far, Students have really been looking forward to this club each week and have a blast dancing to a variety of popular songs. Participants have some input on which songs are being played and do their very best to keep up with the super fast choreography. Practice makes perfect! This club is a great way to get in some physical activity and move to some great tunes the same time. Does it get any better than that? Join us on Monday (K-2) and Tuesday (3-6) afternoons to rock out with us! Hope to see everyone there!

### “Students of the Week” - October

*Jennifer Gray, Site Supervisor*

Each week OPE ESE staff choose four participants to be “Student Of The Week”. Two students from grades K-2 and two students from 3-6. The lucky students are announced on the Friday prior during the R.I.C.H.E.R. “Right”-Up Ceremony to hold the title for the following week. Students get to decorate and display a poster about themselves in the cafeteria for the week, and help staff with a variety of tasks. Every student registered in the ESE program will have the opportunity to be “Student Of The Week” at least one time during the 2017-2018 school year. Jobs may included but are not limited to the following; line leader, announcing snack for the day, passing out homework supplies, assisting with Enrichment Club’s, etc. Once your student is finished being “Student of the Week” he/she will get to take home their poster as well as a certificate for a job well done. Students will also receive one sticker per day that they are present and acting as “Student Of The Week”. We are so lucky to have great helpers at OPE ESE!
