

Celebrating being Blue!

Audrey Cooper, Site Supervisor

In September, College Wood Elementary was named a Blue Ribbon School. This award is an honor for any school to receive, and College Wood celebrated all throughout October. Well, ESE wanted to join the celebration by having a “Blue Party” the day before Thanksgiving break. We were all about blue that day. Staff dressed up in blue clothes and there were blue streamers and balloons everywhere! Kids could pick some special blue snacks such as blueberries, blue raspberry Kool-Aid jammers, and cool ranch Doritos in blue bags. We made blue crafts, watched the Smurfs and made glittery blue slime! This Blue Party was so much fun, we might have another ‘color’ party in the future.

Toy Trolley Coming Again in December

Audrey Cooper, Site Supervisor

You will get a chance to see all the fun goodies of the Toy Trolley in December before winter break. For those you who don't know—the Toy Trolley is a chance for students to spend the E-Dollars they earn at ESE. Students can earn E-Dollars two different ways—Stamps or RICHER “Right”-Ups. Kid Counselors can give out stamps to kids throughout the day if they see them following directions, making smart choices, setting a good example, etc. Each stamp a child earns equals 1 E-Dollar. RICHER “Right”-Ups are slips of paper that staff can give students if they are showing RICHER principles: Respect, Integrity, Caring, Harmony, Excellence, and Responsibility. Each RICHER is worth 3 E-Dollars. Kids save their money in the binders on the table at pick up. The next Toy Trolley is December 18 & 19.
