New Clubs

By: Joey Castillo, PTE Site Supervisor

Beginning January 9th, ESE will be starting our new clubs for the 10 weeks. We will have some new, and some returning, but they are all guaranteed to be fun and exciting! Our counselors have been writing them for the past 2 weeks, and the students of PTE ESE will be thrilled with the clubs they voted on!

Here are PTE ESE, we have had a new staff member starting with us. Her name is Grace Peric and she is a junior at Carmel High School. Miss Peric was once a camper and IMPACT counselor at our Summer Camp Series camps. We are beyond thrilled to have her working here, and we look forward to the great things she will be bringing to program. Welcome Miss Peric!
