

Holiday Fun!

By: Valeska Simmonds FDE Site Supervisor

The holidays are fast approaching and we are enjoying some holiday fun in the ESE program. Our very creative children are having a good time making snowman skiers, dressing up as very cute little reindeer and answering some holiday trivia questions. One of our kids very creatively made a reindeer out of quarks!

It is a very busy time in ESE but my staff and I are enjoying every minute of the fun! 2017 has flown by and we are gearing up for more fun in 2018!

We would like to take this time to thank each of our parents for allowing us to care for your children. It is a responsibility that we take very seriously. We are not perfect but we do try. We hope that all of you have a safe and Happy Holiday season as well as a Happy New Year!

The Tradition Continues!

By: Valeska Simmonds FDE Site Supervisor

Well, this year things did not go quite as we had planned for our annual Carols and Cocoa Parents Night Out but we had a great time anyway! The weather did not cooperate with us and the decision was made to go caroling inside. It worked out beautifully! The children led by Grayson Roper sang their hearts out !.

We had a pizza dinner, sang carols, made some fun holiday crafts and of course had Ms. Simmonds world famous hot chocolate and cookies! My staff and I think this year's Carols and Cocoa was one of our best, and are already anticipating next year's fun!

What we enjoy most about this event is the tradition. All through last week teacher's commented on how excited the children were for Carols and Cocoa to start! This is one tradition that we will keep doing for a long time to come with each new school year and each new child that joins our ESE program. Happy Holiday's everyone!
