When the weather outside is Frightful!

By: Leslie Wimberly, SRE Assistant Site Supervisor

Are you ready for the winter weather? If there is a two hour delay issued by Carmel Clay Schools, Carmel Clay Parks & Rec will still be open at 7 am. Students will be offered a variety of activities, physical and non-physical, as well as breakfast. Parents please walk your students through Door 9, the entrance to the left of the main door. Anyone who is registered with ESE may use the AM program services. A \$11.00 drop-in fee is required when using the AM program if your student does not use a punch card or already have morning visits. For more information regarding AM Program services please contact, Assistant Site Supervisor, Leslie Wimberly at lwimberly@carmelclayparks.com or 317.418.6917.

December Super Stars!

By: Amy Baldauf, SRE Site Supervisor

Our ESE program is all about our students, and what better way to show that than by getting to know each and every one of our unique kids better?! When it is your child's turn, they'll take home an "About Me" Poster to complete and return to be displayed on our wall of "Super Stars." Our program is structured upon the R.I.C.H.E.E.R. Principles, which stands for Respect, Integrity, Harmony, Excellence, and Responsibility. These kids have done an excellent job of exemplifying these principles this month. Pictured are a few of our December "Super Stars." All of our December "Super Stars" were: Anna B., Lily D., Samantha G., Brady J., Paisley L., Luca R., Gavin S., Lily S., Grey S., Jasir K., & Griffin W.
