Carmel Elementary

Spring has Sprung!

Alyssa Holsten, Site Supervisor

As we welcome Spring, Carmel Elementary is offering a new club for our last 10 weeks of the school year, Spring Crafts! This fun and exciting craft club runs every Thursday with our kid counselors, Miss Monson and Miss Thompson. In this club, children will make a variety of spring themed crafts such as Paper Plate Flowers, Crinkle Tissue Paper Ladybugs, Tissue Paper Kites, and so much more! We really enjoy seeing all the smiling faces of our students when they finish a craft project! Our students are always excited to run up front when their parents arrive to show them what they have created. We hope you are as excited as we are to celebrate this beautiful spring season!

Promoting R.I.C.H.E.R. Principles

Jessica Eimerman, Assistant Site Supervisor

CE's Jr. Counselors put their creative talents to great use when they created our beautiful, new R.I.C.H.E.R. posters. Our Jr. Counselors teamed up with one another to create a poster for each letter of ESE's fundamental principles. Each poster is quite unique and our entire program enjoys admiring the creativity that shows within each of them.

While creating the posters, the Jr. Counselors used this time to reflect on the meaning of each principle and how they interpret what respect, integrity, caring, harmony, excellence, and responsibility means to them. The posters have truly been a great addition to our program and they have proved to be an added flair of positivity to Carmel Elementary's ESE program.
