College Wood Elementary

Purple Party

Audrey Cooper, Site Supervisor

We celebrated the start of Spring Break at College Wood with a Purple Party! What is a Purple Party, you may ask. Why purple? We created a whole event around one color and went outrageous with it! The students were challenged to dress up as purple as possible for a costume contest. Staff dressed up and some even dyed their hair purple! Students had special purple snacks of grapes, berry fruit snacks and grape koolaid. We made purple crafts and watched the movie Home. Watch for the next color party! Our costume contest winner were: Jaxon (4th), Gwen (3rd), & Evan (2nd)

CCPL 2 Go coming to College Wood

Audrey Cooper, Site Supervisor

In early May, Carmel Clay Public Library Mobile Library service will be coming to College Wood during peak ESE pick up hours, 4:30-6:00pm. The Mobile Library has more than 2800 items for every age and reading level, including books, DVDs, blu-rays, and audiobooks. During this time students and parents can check out and even return library books, right in the school parking lot. Don't have a library card? Don't worry—the mobile library can issue library cards with an ID for proof of residence! This is a great opportunity for parents and children to connect and discover something new with the Carmel Clay Public Library. Check your e-mail in the coming weeks with dates and more details.
