

Fill the Jar and Win a Prize!

By: Valeska Simmonds FDE Site Supervisor

This year we have made recognizing positive behaviors a priority for our program. One way we do this is by giving each grade level a mason jar to fill with their color pom poms. Every time they get a R.I. C. H. E. R. Write up for positive behavior they also earn a pom pom to put in their jar.

When they fill the jar they earn a special reward. We have a list of prizes that they can choose from. They can choose to have an extra recess, watch a movie with popcorn, gym time or even having Ms. Simmonds dress up in a funny costume for the entire program! We are having a lot of fun with this but more importantly our children are making really good choices in our program and we are very proud of them and we know you are too!

Good Job Tickets are Back!

By: Valeska Simmonds FDE Site Supervisor

It is very important to my staff and I to recognize the positive behaviors demonstrated by our kids. One way we are doing this is by bringing back our Good Job Tickets. Every time a child earns a R.I.C.H.E.R. Right up from one of the staff they also earn a Good Job Ticket.

The tickets are put in a bag and on the last Friday of the month we hold a drawing for special prizes. We pull forty names from the bag and those children go to our prize tables and pick what they want!

Our children work hard to earn the tickets and we make sure that the prize table is well stocked with toys and items from Walmart's Toy Department. The incentives are in place for our children to make good choices and they need to be recognized! We are very proud of our children and the choices they make each and everyday and parents we know you are too!
