

Breakfast with Parents

By: Joey Castillo, PTE Site Supervisor

We here at Prairie Trace recently had our annual breakfast with parents site celebration. There was a great turnout for the breakfast, and everyone was treated to pancakes, bagels, fruit, coffee, milk, and juice. We also had bingo, coloring pages, and a gym game for the kids. The event was a great success and we look forward to doing it again next year.

Rock Wall

Recently at Prairie Trace ESE, we have been utilizing the rock wall in the gym. The students have been taking turns doing the easy, medium, and difficult ways across the wall. Not only has it been a great way to get physically fit, but a fun way to do it! We are so happy to continue to work together with our school to offer these fun activities for the kids.
