March Super Stars!

By: Amy Baldauf, SRE Site Supervisor

Our ESE program is all about our students, and what better way to show that than by getting to know each and every one of our unique kids better?! When it is your child's turn, they'll take home an "About Me" Poster to complete and return to be displayed on our wall of "Super Stars." Our program is structured upon the R.I.C.H.E.R. Principles, which stands for Respect, Integrity, Harmony, Excellence, and Responsibility. These kids have done an excellent job of exemplifying these principles this month. Pictured are a few of our March "Super Stars." All of our March "Super Stars" were: Kelby C., Dawson M., Carson B., Brooke L., Christopher B., Cerianne D., Kaden K., Jamison R., Reagan K., Matthew A., Chloe J., Hunter R., Ronak A., Mitchell M., Isabelle N., Lucas G., Miles H., Abhinav Up, Alex V., Will G.
