Parent's Night Out—Field Trip Style

Audrey Cooper, Site Supervisor

For those who don't know—Parent's Night out is a once a semester event that ESE plans when our program is open late for a special event for free! College Wood decided to take their parent's night out, out of the school. We went to Woodland Bowl and the kids had the chance to play a few games of bowling, participate in a game of laser tag, and try their hand at a few arcade games. We had 76 students and 2 parent volunteers attend this fun field trip. Stay tuned for more fun upcoming events at College Wood ESE.

Spring Break & Summer Camps

Audrey Cooper, Site Supervisor

Spring break and summer are just around the corner. Blink and you'll miss it! We offer School's Out Camps over spring break that your student can attend. Throughout the week students will go on field trips, play fun games at the school, and go to the Monon Community Center to swim at the indoor water park. There are only 100 spots at the two locations, sign up soon!

You can also still sign up for Summer Camps. We offer 11 different summer day camps for students aged 5-14. Check out our website to see a full list of camps that we offer. Sign up soon before we fill up.
