

Wellness Drive in Action!

By: Leslie Wimberly, SRE Assistant Site Supervisor

We appreciate all of the Smoky Row families that donated to our wellness drive. We were able to donate many different hygiene products to the Mid North Food Pantry. The Pantry not only serves food and hygiene to participants that area able to commute to the center, but they deliver to homeless citizen around Indiana. We are so proud of the commitment that families at Smoky Row made to support those in need this winter season!

-Thank You ESE Staff

Could your charity be next? Smoky Row is always looking for a great cause. If you have any suggestions on our next community service project please contact, Assistant Site Supervisor, Leslie Wimberly at lwimberly@carmelclayparks.com or 317.418.6917.

February Super Stars!

By: Amy Baldauf, SRE Site Supervisor

Our ESE program is all about our students, and what better way to show that than by getting to know each and every one of our unique kids better?! When it is your child's turn, they'll take home an "About Me" Poster to complete and return to be displayed on our wall of "Super Stars." Our program is structured upon the R.I.C.H.E.R. Principles, which stands for Respect, Integrity, Harmony, Excellence, and Responsibility. These kids have done an excellent job of exemplifying these principles this month. Pictured are a few of our February "Super Stars." All of our February "Super Stars" were: Jason B., Kira F., Sanvi G., Evan G., Sam H., Sara K., Josh K., Ariana L., Kinsley K., Shermon K., Landon O., Eitan P., Samantha S., Anwasha S., Amelia T., Amelia W., & Addison W.
